Maya showing signs of affection and love

*In a world  
where one  
challenge only  
seems to  
replace  
another, we can  
find hope in not  
only what we  
have done  
together, but  
what we will do.*

Thank you donors!

**Cow Maya is a living example of human kindness and compassion. You all have made a big contribution in her life. Thank you so much.**

**May Almighty circle this kindness in your lives**
