How will your Volunteer time/monetary donations help?

Food-Your volunteer time for 2-4 hours/weekly/monthly may result in raising funds for a one-time meal for 2-3 animals. Your regular volunteering will support a sustained supply of financial resources for these rescued farm animals.

Shelter- Things like supplements, cleaning supplies, brushes, water/hay buckets, & cleaning shovels for the maintenance of their living areas; Growing & maintaining healthy pastures, safety fencing, Barn for protection from extreme weathers.

Medical care- Veterinary care, procedures & medications
All animals need annual vaccinations and wellness exam to monitor their well being. Every animal is different and may have its own care plan based on it's health condition.

**Please Volunteer for these
animals & many more waiting to
be rescued...**

**Please Do what you can, when you can-
It makes all the difference.**

**Become a Remote Volunteer;
Set up Monetary donations; or**

- **Share the initiative** with your networks, and talk to your friends/family, fellow coworkers, and anyone who you think might be interested in the cause and want to volunteer or donate.

Thank you for your volunteer time !
