

Goshala BJ Animal care

July, 2023

An animal (farm) welfare 501c3 non profit

"Providing support for life time care of farm animals."

Rescued Cow Maya's Rehabilitation updates! Her trust in humans has grown tremendously.

Pic taken 7/23/23, on a hot sunny day, when Maya dodged her regular water tub to drink from kind human hands.

3 months in, Maya accepts human touch as one of love, no longer haunted by her brutal past. We feel privileged to be part of her journey towards a better life.

Cow Maya is adapting very well expressing herself freely, loves brushing & petting!

San Martin goshala cows receive pure green grass during weekends.
