

March 2025

Generous Donors Support Goshala BJ to Provide Comfortable Shelter for Cows. Post Repairs, both Maya & Nandi have ample covered space for extreme weathers as well as dry areas as needed for any upcoming rainstorms this season and the next. Heartiest Thanks to the folks who have been supporting this cause 🙏

Many Thanks to Goshala BJ donors- Cows are able to use the roof to regulate their body temperatures according to the weather. They have dry floor to rest during wet weathers and are well protected from the hoof infections.

Cows are happy and relieved from flooded corral.

Thank you Goshala BJ Donors!

As we gear up for our 'Next Rescue,' we require substantial support to guarantee the salvation of another life from a cruel fate, its subsequent rehabilitation into a secure place with sustained supply of food grains housing & medical care as needed.

More ways to Donate:

[Donate Stocks, Crypto, Donor Advised Funds, Donate vehicle\(car, plane, motor bike, RV etc\)](#)

All donations are tax deductible, corporate match, cash, vehicle, crypto & securities.

For more details, please click on the link below or reply to this email.

Please Help us raise funds for our 'Next Rescue' project - Support our cause and make a difference.

We are repurposing cattle dung by transforming it into dried dung cakes. These cakes are utilized for Agnihotra rituals and serve as supplemental manure for gardening projects. In addition to cow and bull dung cakes, we also offer Agnihotra kits for fundraising purposes. Attached are some pictures for your reference.

Goshala BJ Animal care Agnihotra Kit

The Agnihotra kit has a weight of approximately 15.8 ounces and can be shipped anywhere in the US using USPS ground shipping for a flat rate of \$10. The suggested donation for the kit is \$54.99. If you have any questions, feel free to text 669-842-0758 while we arrange for online setup.

Shipping Costs and Suggested Donations for Dung Cakes

Each Dung cake weighs approximately 3 ounces. For shipping via USPS, costs range from \$6 to \$10 for up to five cakes. We recommend a donation of \$5 per piece. If you have any questions, feel free to text 669-842-0758 while we establish online ordering options.

Volunteers don't necessarily have the time, but they have the ❤️

**FREE Online YOGA sessions w/ Yoga teacher
Pawan Singal**

an initiative of **Goshala BJ Animal Care** 501c3

MOO-Ve with Yoga

**March-April 2025
RYT 200 certified instructor**

Sessions will include focused practices on
Yog Nidra, Pranayama & Physical exercises.

Our Monthly Visits are progressing!

The success of monthly visits likely reflects the hard work and dedication of everyone involved. Whether it's through engaging activities, meaningful interactions, or simply being present, these visits can make a significant impact.

By coming together, we can inspire change and work towards a future where all animals are treated with kindness and respect.

Please join us during these free events and feel free to share them with your networks.

Sunday March 30th, 2025- Weather permitted. Please call 669-842-0758 to get latest updates. (Timings- Morning)

Sunday April 13th, 2025- 11am- 1 pm (Weather permitted. Please call 669-842-0758 to get latest updates)

**Sign up for Sunday
March 30th, 2025**

**Sign up for April 13th,
2025**

The enthusiasm of these young minds around farm animals is simply amazing!

Check out our recent visit.

HUMBLE APPEAL

We are seeking grazing farmland for the unwanted & abandoned cows/bulls in Bay Area CA.

A 'Rescue Goshala' is different. It serves as a non-breeding sanctuary that rescues animals directly from processing centers (butchers) and rehabilitates them in safe refuges.

PROBLEM: -Female cows that are unable to Reproduce (birth calves) or produce milk; along with the most male bulls, they are all unfortunately viewed as '**unwanted**' and are often sent to slaughter factory for a harsh fate. However, there is a growing movement towards more sustainable and humane alternatives like new roles for these animals, such as in regenerative farming practices where they can contribute to soil health and biodiversity. Advocates are also working to raise awareness about the importance of valuing all animals and finding creative solutions that honor their lives.

The Need for Grazing Land Our mission is to find suitable grazing farmland where these unwanted animals can thrive.

Benefits of Providing Grazing Land

1. **Animal Welfare:** Providing a safe and natural environment where cows and bulls can graze freely is essential for their physical and psychological well-being.
2. **Environmental Impact:** Grazing cattle can help manage landscapes by controlling overgrowth and promoting biodiversity.
3. **Community Engagement:** Establishing a sanctuary for these animals can foster community involvement and education about animal rescue and sustainable farming practices.

Call to Action

We are reaching out to landowners, farmers, and community members in the Bay Area who may have or know of available grazing land. Any assistance or leads would be invaluable in ensuring these animals receive the care and environment they deserve.

Please contact us if you can help by simply replying to this email. Together, we can make a difference for these neglected animals and contribute positively to our community and environment.
